REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-32 are considered allowable since when reading the claims in light of the specifications, none of the references of record alone or in combination disclose or suggest the combinations specified in the independent claims. As to claims 1-16, the prior art of reference does not teach a packet generator that receives the header copies and forms monitoring data packets therefrom, each of the monitoring data packets additionally representing temporal data relating to the header copies included therein. As to claims 17-32, the prior art of record does not teach copying at least some of the packet headers to obtain respective header copies as monitoring data; forming monitoring data packets from the monitoring data, each of the monitoring data packets additionally representing temporal data relating to the header copies included therein. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
